

I'll See You In My Dreams

Ray Stevens

Though the days are long
Twilight sings a song
Of happiness that used to be
Soon my eyes will close
Soon I'll find repose
And in dreams, you're always near to me

And I'll see you in my dreams
Hold you in my dreams
Someone took you out of my arms
Still, I feel the thrill of your charms

Lips that once were mine
And those tender eyes that shine
They will light my way tonight
And I'll see you in my dreams

And I'll see you in my dreams
Hold you in my dreams
Someone took you out of my arms
Still, I feel the thrill, the thrill of your charms

Lips that once were mine
And those tender eyes that shine
They will light my way tonight
And I'll see you in my dreams
