

Making Believe

Ray Stevens

Making believe that you still love me
It's leaving me alone and so blue
Still I'll always dream but I'll never own you
Making believe, that's all I can do

I can't hold you close
When you're not with me
You're somebody's love
You'll never be mine

Making believe that I never lost you
But my happy hours I find are so few
My plans for the future will never come true
I'm just making believe what else can I do?

Making believe
I'll spend my lifetime
Loving you
And making believe
