

People

Ray Stevens

Oh people, people who need people
Are the luckiest people in the world
We're children, needing other children
And yet letting our grown-up pride
Hide all the need inside
Acting more like children than children

Lovers are very special people
They're the luckiest people in the world
With one person, one very special person
A feeling deep in your soul
Says you were half now you're whole
No more hunger and thirst
But first be a person who needs people
People who need people
Are the luckiest people in the world!

With one person, one very special person
Get a feeling deep in your soul
That says you were half now you're whole
No more hunger and thirst
But first be a person who needs people
People who need people
Are the luckiest people in the world!
