

# United We Stand

Ray Stevens

There's nothing in the world that I would rather see  
Than your smile my friend  
In a world where freedom could never find any enemy  
And peace would never end

For United we stand  
Divided we fall  
And if our backs should ever be against the wall  
We'll be together, together, you and I

And if the world about you falls apart today  
Then I'll still be here  
And if the going gets too hard along the way  
Just you call, I'll hear

For United we stand  
Divided we fall  
And if our backs should ever be against the wall  
We'll be together, together, you and I

And if the world about you falls apart today  
Then I'll still be here  
And if the going gets too hard along the way  
Just you call, I'll hear
