

What'd I Say

Ray Stevens

Hey mama, don't you treat me wrong
Come and love your daddy all night long
All right hey hey - tell me what I say now

Tell your mama, tell your pa
I'm gonna send you back to Arkansas - that's right
If you don't do right now
Gotta treat your daddy right now baby - uh huh

See the girl with the diamond ring
She knows how to shake that thing
Oh yeah, Lord, have mercy
Oh shake it honey, woah yeah

Huh (huh) ho (ho) huh (huh) ho (ho) huh (huh) ho (ho) huh
Woah! Shake that thing (baby shake that thing)
Baby shake that thing (baby shake that thing)
Baby shake that thing (baby shake that thing)
You know how to do it
(Shake it, shake it, shake it, shake it, shake it, shake it, shake it)

When you see me in misery
Come on baby, see about me
Right now (tell me what I say)
Hey hey (tell me what I say)
Tell me what I say (tell me what I say)
Woah yeah

See the girl with the red dress on (red dress on)
She can party with you all night long
(Tell me what I say) hey hey
(Tell me what I say) tell me what I say
(Tell me what I say)
All right now

Hey (hey) ho (ho) hey (hey) ho (ho) hey (hey) ho (ho) hey
Ah! Make me feel so good (make me feel so good)
Make me feel so good (make me feel so good)
Make me feel so good now (make me feel so good)
Woah it don't get no better

Hey (hey) ho (ho) hey (hey) ho (ho) hey (hey) ho (ho) hey
Tell me what I say (tell me what I say)
Tell me what I say (tell me what I say)
Tell me what I say (tell me what I say)

I wanna know (I wanna know)
I said I wanna know (I wanna know)
I said I wanna know (baby I wanna know)
I wanna know (I wanna know)
Tell me what I say
Woah... yeah

Woah... yeah
