

# Why Don't You Lead Me to That Rock

Ray Stevens

Why don't you lead me to that Rock  
That is higher than I (that is higher)  
Oh lead me to that Rock (to that Rock)  
Yes Lord lead me (to that Rock)  
Why don't you lead me to that Rock (to that Rock)  
That is higher than I  
His love has been a shelter for me (has been a shelter for me)

Well if you go down in yonder fold  
And search among the sheep (my brother)  
His love has been a shelter for me (oh yes my brother it has)  
You will find Him there so I am told  
With those He loves to keep (my brother)  
His love has been a shelter for me

Why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (that is higher)  
Oh lead me (to that Rock)  
Yes Lord lead me (to that Rock)  
Why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I  
His love has been a shelter for me

If you'll go into the wilderness  
Where dying ones are lost (my brother)  
His love has been a shelter for me (oh yes my brother it has)  
You will find Him there to heal and bless  
No matter what the cost (my brother)  
His love has been a shelter for me

Why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (that is higher)  
Oh lead me (to that Rock)  
Yes Lord lead me (to that Rock)  
Why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (lead me to that Rock)  
His love has been a shelter for me

Why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (lead me to that Rock)  
Higher, higher, yes I wanna go higher  
(Why don't you lead me to that Rock)  
Why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (lead me to that Rock)  
His love has been a shelter for me

Why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (lead me to that Rock)  
Oh, lead me, yes, oh, lead me  
(Why don't you lead me to that Rock)

Oh lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (lead me to that Rock)  
His love has been a shelter for me

I said, why don't you lead me to that Rock  
(Oh yes why don't you lead me)  
That is higher than I (that is higher)  
Lord, I wanna go higher, yes make me higher...
