

# To the Sea

Razorlight

Away and away, over bridges and sighs  
And on and on, on and on  
She keeps it all locked up right inside  
While up above, where the looking glass skies  
Go on and on, on and on  
She can't say a word, she keeps it inside

To the sea  
To the sea  
Oh down into the sea  
Yeah, what about me  
Yeah, what about me  
Yeah, what about me?

So go away, for a year and a day  
Come back to me, oh you will see  
Throw it away, there's money to be made  
Oh darling you will make it in the sea

Yeah to the sea  
Yeah to the sea  
Oh down into the sea  
Yeah, what about me  
Yeah, what about me  
Yeah, what about me?

Just pick me up, put me down  
We'll get out of this old town,  
And leave it all, to the sea

So go away and then shut your mouth  
Cause darling, you'll see how it all turns out  
Ha!  
Throw it away, for a year and a day  
And then... come back to me!

Down to the sea  
Down to the sea  
Oh down into the sea  
Yeah, what about me  
Yeah, what about me  
Yeah, what about me?

Just pick me up, put me down  
We'll get out of this old town,  
And leave it all, to the sea

To the sea...  
No more, no more
