

## A Reminder

Really Red

Is there something here  
That reminds you of something there?  
Or it's supposed to be

What could it be  
That reminds you?  
Is it in me  
Is it in you  
Will it ever, ever, ever?

Don't bother to ask or  
Look behind you  
Don't bother to read or  
Read into this song  
Time for rejection  
Time for reflection

What a guilty feeling  
Here inside of me  
What a haunting feeling  
There inside of you

Playing out our roles  
Playing out our roles  
Playing out our roles
