Really Red

Make it loud, loud 'n loud 'n loud
Make it fast, make it easy to hide in a crowd
Make it easy to predict what I can do
Make it easy to predict what I will hear
Make it fast, make it fast 'n fast 'n loud
Make it easy to hide inside a crowd
I ain't no queer, I'm a hardcore man!
I like to jump around with a bunch of sweaty men!
I like to jump an' bash an' jump an' bash and hurt!!
I like to jump and bash with a bunch of sweaty men!
There ain't no women, ain't no women dancing here!!
Ain't no queer, I'm a hardcore man
I like to jump around an' kick an' hurt if I can
Make it fast, fast 'n fast 'n loud
Make it easy to hide inside a crowd
Make it easy to predict what I will do
Make it easy to predict what I will hear
I ain't no queer, I'm a hardcore man
I like to jump around with a bunch of sweaty men!
But there ain't no women, ain't no women dancing here!!
