Run 'Em Out

Really Red

You can have your fun
With the latest flash trend
Take it all serious
I think it's a joke
You can't discourage us
Run 'em out of every shopping center
And bank in town
Run 'em out, not for us
Burn 'em down
Two bits – four bits
Six bits a dollar
We're all fly by night
In the midst of this squalor
See how much you can get away with
Think just what you want
Is the whole of the law
