

Through the Eyes of a Child

Reamonn

Sweet innocent child with your open eyes.
You've seen us for who we really are.
And I know that there'll be tomorrow.
So that hope can have it's glory day.
And I wish that this world would embrace you
from magic stars and mystery.
My open heart...

Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.
Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.

I know you, I've seen your face before
you brought me to this open door
afraid to walk through.
Please take my hand.

I know that there will be tomorrow.
So that hope can have it's glory day?
And I wish that this world embrace you
from magic stars and mystery.
My open heart...

Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.
Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.

I see where we'll go from here.
'Cause love doesn't break
with the right amount of care
in your hands is whom you've choosen to be.
Life is a freedom.
Now go out there and be free.

Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.
Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.
Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.
Why did we make it so hard, this life is so complicated
until we see it through the eyes of a child.
