Emi Ami D Bmi C Ami D B

Emi Ami D
She never took the train alone
Bmi C
she hated being on her own
Ami D
She always took me by the hands
B
and say she needs me

She never wanted love to fail
she always hoped that it was real
She'd look me in the eyes and say believe me
And then the night becomes the day
and there's nothing left to say
If there's nothing left to say
then something's wrong

Emi

Ami D Bmi C
Ohhh tonight you killed me with your smile
Ami D B
so beautiful and wild so beautiful
Emi Ami D Bmi
Oh tonight you killed me with your smile
C Ami B Emi
so beautiful and wild so beautiful and wild

And as the hands would turn with time
she'd always say that she was my mine
She'd turn and lend a smile
to say that she's gone
But in a whisper she'd arrive
and dance into my life
Like a music melody
like a lovers song

Oh tonight you killed me with your smile
so beautiful and wild so beautiful
Oh tonight you killed me with your smile
so beautiful and wild so beautiful and wild

B Emi
Through the darkest night
B Emi
comes the brightest light
B Emi
And the light that shines
Emi
is deep inside
B
It's who you are

Oh tonight you killed me with your smile
so beautiful and wild so beautiful

Oh tonight you killed me with your smile
so beautiful and wild so beautiful ?beautiful
Oh tonight you killed me with your smile
so beautiful and wild so beautiful and wild
So beautiful and wild
So beautiful and wild
