

Shakey Ground

Rebecca Lynn Howard

Lady luck and the four leaf clover
Won't ease this hurt, I feel all over
My life was one special occasion
Till I ended up in this situation

I'm standin' on shakey ground
Ever since you put me down
Standin' on shakey ground
Ever since you put me down

My car got repossessed this mornin'
Harder times I haven't seen in years
Somebody throw me a life preserver
'Cause I'm about to drown in my own tears

I'm standin' on shakey ground
Ever since you put me down
Standin' on shakey ground
Ever since you put me down
Down, down

My car got repossessed this mornin'
Harder times I haven't seen in years
Somebody throw me a life preserver
'Cause I'm about to drown in my own tears

I'm standin' on shakey ground
Ever since you put me down
Standin' on shakey ground
Ever since you put me down

Standin' on shakey ground
Ever since you put me down, yeah
I'm standin' on shakey ground
Ever since you put me down
Down, down, down
