

We're In This Love Together

Rebecca Lynn Howard

It's like a diamond ring
It's a precious thing
And we never wanna lose it
It's like a favorite song
That we love to sing
Every time we hear the music

We're in this love together
We got the kind that lasts forever
We got the kind that lasts, baby, baby
We're in this love together
And like berries on the vine
It gets sweeter all the time
Oh, so sweet baby, ooh, ooh, yeah, yeah

It's like a rainy night in candlelight, ooh, ooh
And ooh, it's so romantic, yes it is
We got the whole thing working out so right
And it's just the way we planned it, oh yeah

We're in this love together
We got the kind that lasts forever
We got the kind that lasts, baby, baby, baby
Don't you know we're in this love together
And like berries on the vine
It gets sweeter all the time, oh, oh

Ooh, yes it is, baby, baby, baby, oh
So romantic, darling, yes it is
Don't you know, don't you know, don't you know

We're in this love together
We got the kind that lasts forever
We got the kind that lasts forever, baby
Don't you know we're in this love together
We got the kind that lasts forever and ever, yeah, yeah

Don't you know we're in this love together
We got the kind that reminds me of our favorite song
Don't you know that we're in this love together
Yes, that's right
We got the kind that lasts
