Adrenalin

Rebellion

Are you looking for the ultimate kick For the drug to gain some speed Forget cocaine its Adrenaline And heavy meral that's what you need

Burning like a fire like a demon in the night Feeding on your energy you know we've got the right Eating up the miles we're heading down the motorway And we never stop you know it well we're here to stay

Got the power to take it to the top Filled with energy never to drop I am agression I run through the walls that you keep Adrenalin the ultimate speed Adrenalin

Playing hard and playing fast we never turn it down Welcome to our metal blast we'll turn your worlds around Raging through your hometown through the streets you know so well Tonight we rule we'll take the streets we'll take you down to hell
