

Life On The Line

Rebelution

Woke up this morning with my life on the line
Open my eyes and with a deepness i sigh.
I dreamt my baby up and left me behind
But there she is beside me asleep lookin fine.
I took a walk out on the streets in the night
With her in mind its the finest of times.
I'll give her lovin' till the day that i die
As long as she knows it and i know she's mine.
Thank god i got you by my side
I woke up empty now a new feelin' the resides. Oh I, oh I.
