

Ordinary Girl

Rebelution

Girl I'm going crazy
I cant get you off my mind
It seems like thing that I think about
Oh hoh
Well is you all the time
I have no words to express the way I feel about you
I found my hearts desire
Bay-be its you

You give me everything that I want
You give me more than I need
Whats a guy to give a girl
That seems to have everything
Oh yes oh yes oh yes its true

You're no ordinary girl
Ya you always speak your mind
You're no ordinary girl
Ya you're one of a kind
You're no ordinary girl
Well I can see it in your eyes
You're no ordinary girl
Oh ya that's right

I've been around here for some time
Oh I guess I've seen some things
Not anything comes close to the love that you bring
You exactly who you are
You know exactly who you want to be
Oh I cant believe this love, it is happening to me
Oh so much fear took place
To get me where I am
Its clear for me to see that this was never my plan
But here we are now girl
Oh just me and you
I'm loving every minute that I spend with you

You're no ordinary girl
Ya you always speak your mind
You're no ordinary girl
Ya your one of a kind
You're no ordinary girl
Well I can see it in your eyes
You're no ordinary girl
Oh ya that's right
Oh ya that's right boo-da-bita-ba-ba-ba ya
