

## Give It Up

Reckless Kelly

You never write, you never call  
But you keep me hangin' on  
You keep me hangin' on  
These are the longest days  
These are the longest nights  
I can't recall the last time  
You thought to treat me right

I'm 'onna give it up  
I'm 'onna give it up  
I'm tired of wastin' my time  
Baby, I'm 'onna give it up

You let me in, you shut me out  
But you keep me hangin' on  
Yeah, you keep me hangin' on  
I've wastin' a thousand words  
I've wasted a thousand smiles  
I've wasted a thousand hellos  
But I'm only thinking of using up one goodbye

I'm 'onna give it up  
I'm 'onna give it up  
I'm tired of wastin' my time  
Baby, I'm 'onna give it up

Chase me down, run me off  
But you keep me hangin' on  
Yeah, you keep me hangin' on  
It's just a game to you  
But it's torture to me  
I'm 'onna show myself to the doc  
'Cause I know you'll never set me free

I'm 'onna give it up  
I'm 'onna give it up  
I'm tired of wastin' my time  
Baby, I'm 'onna give it up

I'm 'onna give it up  
I'm 'onna give it up  
I'm tired of wastin' my time  
Baby, I'm 'onna give it up

I'm 'onna give it up  
I'm 'onna give it up  
I'm 'onna give it up  
I'm 'onna give it up
