

## Sunset Motel

Reckless Kelly

Found me there on the ground, you dusted me off  
Turned me around, got me off of that stuff  
But I'm just a man, flesh, blood, and bone  
Trouble seems to find me when I'm left alone

So if I should stumble, if I should slide  
Keep me from going to the other side  
Don't turn me away, don't leave me out in the cold  
You know that I've only got one place to go  
Just like the last time, it won't work out well  
Don't let me go back to the Sunset Motel  
Don't let me go back to the Sunset Motel

When you've been all you can be, you've done all you can do  
Seems fair to me they would do the same for you  
Did you shake your head and smile while they tell you go to hell?  
You'll find what you need at the Sunset Motel

So baby hold me close and say you'll never let me go  
I don't even know who I am no more  
Don't turn me away, don't leave me out in the cold  
You know that I've only got one place to go  
Just like the last time, it won't work out well  
Don't let me go back to the Sunset Motel  
Don't let me go back to the Sunset Motel

Four walls to hold me, locked up inside  
Where the same thing that kills you is what keeps you alive  
No hope for redemption, no safe place to fall  
Just a paradise waiting to escape from it all

So baby, when the darkness tries to pull me back in  
Keep me from going down that road again  
Don't turn me away, don't leave me out in the cold  
You know that I've only got one place to go  
Just like the last time, it won't work out well  
Don't let me go back to the Sunset Motel  
Please don't let me go back to the Sunset Motel
