- 1. Shiver for me girl
 Deliver for me my darling
 Pushin' up to you
 A river that runs right thru you
 Swim for your smile
 In a blue rock quarry
 Make it for me baby
 You won't be sorry
 Shiver for my now
 Deliver for me my darling
- R: Miles and miles of nether worlds I roam
 Settle for love you're never far from home
 Carry me down into the waters of
 Carry me down into the waters of love
 Two of us were made of angels dust
 I've been around
 But not around enough
- 2. Shadow my free form A woman that I could keep warm Quiver for me girl Give me your head and shoulders Shot from the pages of love and glory Sleeping next to you and I'm in your story Shadow my free form A woman that I could keep warm
- R: Miles and miles...
- *: Let's go
 I know, I make it for two
 Intuitions only what you take from it
 I know, I make it for two
 You were there and I was fortunate
 I know, I make it for two
- 3. Shiver for me now
 Deliver for me my darling
 A living that I could
 Be giving to you my sweet love
 Swim for your smile
 In a blue rock quarry
 Make it for me baby
 You won't be sorry
 Shot from the pages of
 Love and glory
 Sleeping next to you
 And I'm in your dream

Settle for love
