

Follow You, Follow Me

Red House Painters

Stay with me,
My love I hope you'll always be
Right here by my side if ever I needed you
Oh my love
In your arms,
I feel so safe and so secure
Everyday is such a perfect day to spend
Alone with you
I will follow you will you follow me
Every day and night that we know will be
I will stay with you will you stay with me
Just one single tear in each passing year
With the dark,
I see you so very clearly now
All my fears are drifting by me so slowly now
Fading away
I can say
The night is long but you are near
Close at hand though I'm better for the smile you give
And while I live
I will follow you will you follow me
Every day and night that we know will be
I will stay with you will you stay with me
Just one single tear in each passing year
