

Don't Let Go Of Me

Red Rider

I walk out the door but I don't get very far
I count the steps to keep me occupied
So I don't break down, I'll keep it inside

Don't let go of me, keep me in mind
Won't you hold me just one more time?
I'm blowing away but I'll be back
Don't let go of me

And there's a price that I pay
For the work in my life
But I'd never turn back the hands of time
Because I love what I do as much as I love you

Don't let go of me, keep me in mind
Won't you hold me just one more time?
I'm blowing away but I'll be back
Don't let go of me

Keep your light burning
So brightly until I get home
Just like the beacon
That brings the tired sailor back in

Don't let go of me, keep me in mind
Won't you hold me just one more time?
I'm blowing away but I'll be back
Don't let go of me

Don't let go of me, keep me in mind
Won't you hold me just one more time?
I'm blowing away but I'll be back

Don't let go of me, keep me alive
Won't you hold me just one more time?
I'm blowing away but I'll be back
Don't let go of me

Just one more time
I'm blowing away but I'll be back
Don't let go of me
