

I've Just Lost You

Red Simpson

You are gone and I am crying don't know what I'm gonna do
Feel just like my world is dying cause sweetheart I've
just lost you
My tears are a fallin' and your name I'm callin' the
whole night through
My heart is achin' and I think it's breakin' right in two
I just can't see why you'd leave me for someone new
I never believe that you would deceive and hurt me like
you do
My tears are a fallin'...
[steel]
My tears are a fallin'...
Cause sweetheart I've just lost you
