Redman

I said I'm..  
I'ma.. great white on the mic, servin fishscale  
Livin life like I co-star with Denzel  
Hip-hop been my life since kids meals  
Lee jeans, label blocks and Big Wheels (uhh)  
Ever since then I've been a FUCKIN problem  
Feelin like Bruce Wayne, and this is Gotham  
Now I got them haters watchin  
Waitin for my next hit like a nigga boxin  
(And the NEWWW!) On this mic you can see I'm blessed  
Some say I'm the (One), like (KRS)  
Shoutout to Clue, Flex and Doo Wop  
R.I.P. Big L, Pun, Biggie and Tupac  
Flow so sick somebody give me a flu shot (achoo)  
I'm well done, overcooked, too hot  
A booth, ProTools and a MP  
That's all I need to show you that I'm a emcee (yessir!)  
So you can chase the fame, cause simply  
difference is, you a Beamer, I'm a Bentley - dummy!  
Now wonder where I'd be without Funk Doc  
So this toast goes to Redman and hip-hop (yo)

[Chorus: Ready Roc (Redman) {Melanie}]  
Whattup Big Unc? (Whattup nephew?)  
WHATTUP JERSEY? {Jersey, Jersey-ayyyyyy}

[Interlude: Melanie Rutherford]  
This is my life - this is my life baby

[Redman]  
Yo, watch out now I talk like a old man  
But still got that UHH like Jor-dan  
Call in, anywhere I go it's CHEERS  
Cause they yell my name like Nor-man  
Walk in, look cool  
Flow like the ink pen got Red Bull  
Feel like I'm school, back to the basics  
Handcuffin hip-hop, niggaz start rapin (yessir)  
And I faced it, it's a new ballgame  
It's like when (Baby Boy) met Ving Rhames  
Now that's so appealin, the veteran  
still trappin, I'm back in the building  
Yeah I laugh when I'm yakkin to children  
But it's hard when ya boy lackin a million  
I'm so brilliant, cause I work the Eastside  
And do the same damn thing on the Westside (West coast!)  
For hip-hop I'ma die - you fuck with it?  
I'm O-Dog, I ain't lettin that shit ride!  
Whoever outside with a eardrum  
Old people, young people, here it come

[Chorus]

[Interlude: Melanie (Redman)]

[Redman]

Yo, aiyyo neph' you can tell I love hip-hop  
And me stoppin any time? I think not

Summertime, my rhyme's in your droptop  
Yeah, the LP is "Reggie"  
I got the goods baby, I'm Don Ready  
Ready, for any hip-hop freak  
Even white chicks want black in 'em like Pernelli  
Yeah, the rap game is star studded  
It's like the NBA, you gotta love it

[Ready Roc]

Whattup Big Unc? Watch nephew  
sell more records than Wyclef crew (ill)  
Haters watch me ball like the ref do  
And still can't get it right like a left shoe (hahahaha)  
I'm 'bout to bubble like a Lex Coupe  
"What's my motherfuckin name?" like I'm Big Snoop  
Ready Roc hear the crowd scream  
Now my name hold weight like a triple beam  
Wu-Tang showed me how to get the C.R.E.A.M.  
I'm a microphone, I'm a microphone fiend

[Chorus]

[Melanie Rutherford]

This is my life, this is my life  
Hip-Hop, until I dieeeeeee  
Until I die, whoaaaaaaa-ohhhhhh
