

Def Jammable

Redman

Yes sir! You're gonna do it like this
I am an animal defjammable titanical high flammable
Don't .. me I live ..
I'am eating ball
I didn't go to Hannibal
My anathema I prescribed it
Said you all in my hood like it
I advise them sterilize them
This ear wasn't clear to hear the album

Chorus

I know what you people gonna do without him
And these ladies gonna ... around and talk about him
So I keep in money and keep in rocking

Flammable titanical

Call me PIMP NUTS
On a chick but
She gotta a sister?
I got a mixer
My car inside is dark
The door is suicide â?
