

The Chase

Rednex

The Chase
I, I, I let it
come my way
I, I, I let it
come my way
One day

Mambway Aa Ee
Yaeaea
Mambwe Aa Ee
Yaeaea
Mambwe Aa Ee
Yaeaea aaeeoo

They come on the prairies
They come on the hills
They come thru
the valleys
I, I let'em come,
come my way
For soil is my ally
For sun is my eye
For I will survive

The Chase
I, I, I let it
come my way
I, I, I let it
come my way
One day

I run with the river
I fly with the wind
I fight with the thunder
I, I let'em come,
come my way
They hunt for
the daylight
They shoot for the sky
But I will survive

The Chase
I, I, I let it
come my way
I, I, I let it
come my way
One day

Mambway Aa Ee
Yaeaea
Mambwe Aa Ee
Yaeaea
Mambwe Aa Ee
Yaeaea aaeeoo
