

# I Wish

Reed Deming

I've always been told to love myself  
I try but I can never understand  
It's hard for me to always keep it real  
When I don't like the man I really am  
I cover up the holes I can't fill  
Or I hide them in the back of my mind  
I overcompensate for my flaws  
So all that people see is my disguise

I wish that I wasn't so emotional  
I wish that I didn't always lose control  
I'm told I got it good but I think it's bull  
Cause I still wish

I wish I was a little bit older, little bit taller  
Little bit bigger, little bit stronger  
Little bit wiser, little bit kinder of a heart  
I wish I was a little bit tougher, little bit harder  
Little bit richer, little bit smarter  
I just wanna be a little more of something that I'm not  
I just wanna be a little more of something that I'm not  
I just wanna be a little more of something that I'm not

Oh I wish that I'd never shoot and miss  
I wish that I would never fake a smile  
I wish that I could have my first kiss  
I wish I'd fall in love for awhile

I wish that I wasn't so emotional  
I wish that I didn't always lose control  
I'm told I got it good but I think it's bull  
Cause I still wish

I wish I was a little bit older, little bit taller  
Little bit bigger, little bit stronger  
Little bit wiser, little bit kinder of a heart  
I wish I was a little bit tougher, little bit harder  
Little bit richer, little bit smarter  
I just wanna be a little more of something that I'm not  
I just wanna be a little more of something that I'm not  
I just wanna be a little more of something that I'm not

I wish I could say that I wouldn't change  
Cause I'm okay, okay with me  
But deep down I know I'm not even close  
To being someone I want to be

I wish I could say that I wouldn't change  
Cause I'm okay, okay with me  
But deep down I know I'm not even close  
To being someone I want to be

I wish I was a little bit older, little bit taller  
Little bit bigger, little bit stronger  
Little bit wiser, little bit kinder of a heart  
I wish I was a little bit tougher, little bit harder  
Little bit richer, little bit smarter

I just wanna be a little more of something that I'm not  
I just wanna be a little more of something that I'm not  
I just wanna be a little more of something that I'm not
