

Please Come Home For Christmas

Reed Deming

Bells will be ringing this sad sad news
Oh what a Christmas to have the blues
My baby's gone and I got no friends
To wish me greetings once again

Choirs will be singing "Silent Night"
Christmas carols by candlelight
Please come home for Christmas
Please come home for Christmas, yeah

If not for Christmas by New Years night
Friends and relations send salutations
Sure as the stars shine above
But this is Christmas, yes, this is Christmas, my dear

It's the time of year to be with the ones you love
Oh, tell me that you'll never more roam
Christmas and new Years will find you home
And there'll be no more sorrow no grief and pain

And I'll be happy, happy once again

Oh there'll be no more sorrow, no grief and pain
Happy Christmas once again
