

Dateless Losers

Reel Big Fish

We are all on our own with no one by our side
You are so lucky, beautiful and bright
All the cool kids go steady they're making
Out at 12- we sit in our rooms alone
By ourselves it's Friday
No phone call, nobody asked us out
We are the dateless losers lonely until we die!

So unappreciated, why, why, why, why?
We're not so bad you know
But you won't give us a chance
Take us to the movies, to dinner, or to dance
Not perfect, not too hip, but we need lovin' too
We are the dateless losers lonely until we die!
So unappreciated why, why, why, why?
