## Reel Big Fish

Nothin' on the radio again  
I pick up my guitar  
I put it right back down  
I don't know why I even try

And I can't think of anything to say  
But then I never thought I'd write another song again  
But here it is

I'm not gonna make it  
I don't think I can take it  
So I'm gonna quit while I'm ahead

Well it's been happenin' to me all my life  
Well I swore I'd never make the same mistakes  
But now I'm making different ones

And I can't seem to ever get things right  
Well it just feels like I'm goin round in circles  
And I'm goin round in circles  
And I

I'm not gonna make it  
I don't think I can take it  
So I'm gonna quit while I'm ahead

And I'm not gonna make it  
I don't think I can take it  
So I'm gonna quit while I'm ahead

But it's too late  
It's too late  
I'm a whole body now

And it's too late  
It's too late  
I'm a whole body now

Well, I'm not gonna make it  
I don't think I can take it  
So I'm gonna quit while I'm ahead

And I said  
I'm not gonna make it  
I don't think I can take it  
So I'm gonna quit while I'm ahead

But it's too late  
It's too late  
I'm a whole body now

And it's too late  
It's too late  
I'm a whole body now
