

The Set Up (You Need This)

Reel Big Fish

I guess it's not fair
for me to not care
but I don't, and that's why
you think I'm a great guy
but I want you and you want me too
and you need this, wanna give it to you
and I thought this time i'd say something new
I'll call you, I swear
so, next time be there
can't keep up, not more
should quit but, what for?
cause I want you and you want me too
and you need this, wanna give it to you
and I thought this time I'd feel something new
it's not cruel, I do like you
and I want you to feel that I do
well I want you and you want me too
and you need this wanna give it to you
and I thought this time I'd be someone true
yeah I want you and you want me too
and you need this, wanna give it to you
and I thought this time I'd say something new
