So I bang like a gun  
And I shoot for fun  
Cause I'm the One  
Now now now now now check it

Now why you hoes be frontin  
As if you know me

As long as you got the evidence  
Congratulations your opinion is irrelevant!  
Critics on me cause I rap and I sing  
Got twelve tattoos bout nine piercings

When it comes to paying 'em attention
