

## Defeated

## Refused

Listen and hear me  
there is no end in sight  
Heed my advice or  
Pay the price

Why are we doing it  
We need to fix this situation  
all we need do is act on our own education

Why don't we live till we see the end of our lies  
Sit in silence wait for those to go by  
Always just so full of ourselves  
You don't see the beginning change

I won't try too  
set an example

I won't try too  
set an example  
for myself

Those neighbors would sit and do their chores  
Everyone grows up to be hear them moan  
Won't see our master in our society  
it's all just a lie  
saving the way  
I look for answers  
I don't find what I need

I won't try too  
set an example

I won't try too  
set an example  
for myself

I won't die, defeated  
I won't die, defeated  
I won't die, defeated  
I will stand

I won't die, defeated  
I won't die, defeated  
I won't die, defeated  
I will stand

I won't die, defeated  
I won't die, defeated  
I won't die, defeated  
I will not stand  
I will not stand  
I.  
Will.  
Not.  
Stand.
