

Liberation Frequency

Refused

It's coming through the air
For all of us to hear
Could it be the sounds of liberation
Or just the image of detention

We want the airwaves back
We want the airwaves back
We don't just want airtime
We want all the time
All of the time

We want the airwaves back
We want the airwaves back
We don't just want transmission
We want
ow

What frequency are you getting
Is it noise or sweet sweet music
What frequency will liberation be
What frequency will liberation be

It's coming through the air
For all of us to hear
Could it be the sounds of liberation
Or just the image of detention

Control my flower
Business, news all ready to devour
Who's in charge and what does he say
Is he playing the alternative or does it sound the same old way

We want the airwaves back
We want the airwaves back
We want transmission for the people (by the people)
We mean

We wanted everything
We needed everything
We needed everything

What frequency are you getting
Is it noise or sweet sweet music
What frequency will liberation be
What frequency
What frequency

What frequency are you getting
Is it noise or sweet sweet sweet s-sweet
What frequency will liberation be
What frequency
What frequency
What frequency

We want the airwaves back
We want the airwaves back
We don't just want airtime

We want all the time
All of the time

What frequency are you getting
Is it noise or sweet sweet music
What frequency will liberation be
What frequency will liberation be

What frequency are you getting
Is it noise or sweet sweet sweet
What frequency will liberation be
What frequency
