Poetry Written in Gasoline

Refused

Scrap the extras - Let's keep our eyes wide open Cut out the spareparts - Let's keep our eyes wide open Keep our eyes wide open Fuck the idol - Let's keep our eyes wide open Reject the star - Star, star, star Let's feed ourselves some - Let's keep our eyes wide open Destruction Convention blackmails - Let's keep our eyes wide open Creativity - Yeah! Yeah! This lack of challange - Let's keep our eyes wide open Kills me, kills me, kills me, kills me Scrap the extras - Let's keep our eyes wide open Cut out the spareparts Fuck the idol, idol - Let's keep our eyes wide open Reject the star The rhymes of revolution Poetry written in gasoline The rhymes of revolution Yeah! Yeah! Yeah! Manipulate the obvious Cowards bought by traditionalist manners Scream at the herd that are heard the most Without substance and with useless... banners Banners, banners, banners Your art, your art, is worth, is worth nothing Like a city with no meaning Like a city, with no meaning, with no meaning Your creation holds, holds no hope The rhymes of revolution Yeah! Yeah! The rhymes of revolution Poetry written in gasoline Poetry written in gasoline Poetry written in gasoline Ah! Yeah! You had a witness over there
