

# I Call On Jesus

Regina Belle

Do you ever think you're all alone  
With no one, hey yea  
You can turn to  
And when you feel there is no hope for tomorrow don't worry  
Cause you're never alone

There is someone yes!  
You can turn to  
There is someone you can talk to  
And in this someone, you'll find refuge  
I tried Him and I know  
He will work it out ~ hay yeah  
For you, yea yea yes

I am here to tell you today  
If you're having trouble  
Troubles don't last always  
No no naw  
If we just listen, to what He has to say  
But, the thing that's so sad is sometimes we forget  
That He hung, bled, and died  
So that you and I  
Might have a right to the tree of life

Remember there is someone we can talk to, yeah  
There is someone, someone we can tell our problems to, yeah  
And in this someone, we can find refuge  
I tried Him, and I know.  
I have tried Him and I know  
He will work it out  
He will work it out  
What can I do

Nobody nobody but Jesus  
Hey hey yea, Jesus
