

You Got the Love

Regina Belle

Ooh, yeah, yeah
Oh, yeah

Once in a lifetime
A love like this comes along
But I got to show you
That you and I do belong

Boy, to win your heart
I'd beg, steal or borrow
There's nothing I won't do
Just lead and I'll follow, yeah

'Cause you got the love I want
You got the love I've waited for
You got the love I need
You got the love, you got the love

I wasn't looking
But kissing you changed my mind
Just like an angel
And I think of you all the time

Boy, to win your heart
I'd beg, steal or borrow
There's nothing I won't do
Just lead and I'll follow, yeah

'Cause you got the love I want
(You got my love)
You got the love I've waited for
(Love that I've waited for)
You got the love I need
You got the love, you got the love

Hey, boy, all my love's for you
We've got to spend some time alone
Hey, boy, I just the things that you do
Hold you close and never let you
Never let you go, yeah

You got the love I've waited for
Anything that you have, yeah

Ooh, baby, you got it
Ooh-ooh, baby, you got it
I want it, I need it

Boy, you got the love
(Ooh, baby, you got it)
You got the things, you got the power, yeah
(Ooh-ooh, baby, you got it)
Come on, take me in your arms
(I want it, I need it)
I think all I wish I was in love

You got the love I want

(You know you got the love, baby)
You got the love I've waited for
You got the love I need
You got the love, you got the love
(I want it, I need it)

You got the love I want
(Yeah)
You got the love I've waited for
You got the love I need
(And I need it)
You got the love, you got the love
(I want it, I need it)

You got the love I want
(You know you got the love, baby)
You got the love I've waited for
You got the love I need
(The love than I needed boy)
You got the love, you got the love
(I want it, I need it...)
