## And I Love You So

## **Regine Velasquez**

And I love you so The people ask me how How I've lived till now I tell them I don't know

I guess they understand How lonely life has been But life began again The day you took my hand

And yes I know how lonely life can be The shadows follow me And the night won't set me free But I don't let the evening get me down Now that you're around me

And you love me to Your thoughts are just for me You set my spirit free I'm happy that you do

The book of life is brief And once a page is read All but love is dead That is my belief

And yes I know how loveless life can be The shadows follow me And the night won't set me free But I don't let the evening bring me down Now that you're around me

And I love you so The people ask me how How I've lived till now I tell them I don't know
