

# Hang On

Regine Velasquez

Sometimes it's hard to know that it's all over  
Sometimes it hurts so bad  
To think that we did feel much for each other  
Yet lost what we once had

To love you is one thing I can do  
I have always been around to love you

At times when I'm alone I feel so empty  
I've always wish you're here  
And now you're gone and all is gone forever  
Oh girl it's so unfair

Remember the things I always say  
I mean them all so please believe  
The things that i've been telling you

Just hang on  
Who knows we might get there  
After all the waiting's done  
We'll be the ones to find out

If we hang on  
You know we're on our way  
So just hang on

When I look at the sky i see a memory  
That was where i used to be

I love you  
I always think of you  
Please listen to the words I say  
These words that I've been telling you

If we hang on
