

## How Can I Tell You

Regine Velasquez

How can I tell you that I love you, I love you  
But I cant think of right words to say  
I long to tell you that I'm always thinking of you  
I'm always thinking of you, but my words  
Just blow away,

It always ends up to one thing, honey  
And I cant think of right words to say

Wherever I am babe, I'm always walking with you  
I'm always walking with you, but I look and you're not there  
Whoever I'm with, I'm always, always talking to you  
I'm always talking to you, and I'm sad that  
You cant hear, so sad that you cant hear  
It always ends up to one thing, honey,  
When I look and you're not there

I need to know you, need to feel my arms around you  
Feel my arms around you, like a sea around a shore  
each night and day I pray, in hope  
That I might find you, in hope that I might  
Find you, because hearts can do no more

It always ends up to one thing honey, still I kneel upon the floor
