

# My Destiny

Regine Velasquez

I used to be.  
So locked up inside.  
And very lost in my mind.  
I felt alone  
In need of some company.  
Living in false reality.  
Nothing can keep me  
From feeling so cloudy.  
I needed a purpose.  
I needed a guide

And so it rained.  
And oh it stormed.  
It was very hard.  
To look outside  
So much fear that cannot subside.  
you see I did it but then I rose  
Giving up on my life was close.  
But now I'm back on my toes

I'm gonna fly, I'm gonna slide.  
I'm gonna follow my heart  
And then I'll know where to start.  
I'm gonna cruise, I'm gonna flow  
Nothing's gonna stop me from my destiny

You were the one.  
Who believed in me.  
More than I believed  
You made me see the dream.  
Inside my heart.  
You are the end and I will start

You are the hope.  
You are the joy.  
Through everyone.  
Through everywhere  
You let me die.  
You made me rise. giving up on my life was close  
But now I'm back on my toes

I'm gonna fly, I'm gonna glide,  
I'm gonna follow my heart  
And then I'll know where to start  
I'm gonna cruise, I'm gonna flow  
Though the sky might be cloudy,  
I will reach for the stars  
I'm gonna rise up so high.  
Nothing's gonna stop me from my destiny
