

# Never Give Up

Regine Velasquez

I can tell it's gonna be  
Another night alone  
And I don't have the energy  
To go out on my own  
When you go, I just want to hide  
I'll keep goin', I'm locked up here inside

But I will never give up, I'll never give up,  
I'll never believe that love just fades away.  
I'll never give up, never give up  
I'll never give up.

In the middle of the night  
I wanna reach for you  
I'm so uneasy when you go  
I don't know what to do

It's so hard, just to go til then  
I'm not happy til I'm home safe and sound

But I will never give up, I'll never give up,  
I'll never believe that love just fades away.  
I'll never give up, never give up  
I'll never give up.

Dadadada...

I'll never believe that love just fades away.  
I'll never give up, I'll never, never give up  
That love just fades awaay..  
I'll never believe that love just fades away.  
I'll never give up  
Never believe that love just fades away.
