

No Walls, No Ceilings, No Floors

Regine Velasquez

Let me love you, come close to me
Locked in my arms, you'll still be free

Don't be frightened
My half flyin' blue bird
'Coz my love has no walls
No walls, no ceilings
No walls, no ceilings, no floors
Go on and fly high in the sky
I'll never try to burn your wings

All my love songs are just for you
Sing them with me and when you do

Don't be frightened
My half flyin' blue bird
'Coz my love has no walls
No walls, no ceilings
No walls, no ceilings, no floors
Go on and fly high in the sky
I'll never try to burn your wings

... fly high in the sky

All my love songs are just for you
Sing them with me and when you do

Don't be frightened
My half flyin' blue bird
'Coz my love has no walls
No walls, no ceilings
No walls, no ceilings, no floors...
