

Please Be Careful With My Heart

Regine Velasquez

If you love me like you tell me
Please be careful with my heart
You can take it, just don't break it
Or my world will fall apart

You are my first romance
And I'm willing to take a chance
That 'til life is through
I'll still be loving you

I will be true to you
Just a promise from you will do
From the very start
Please be careful with my heart

I love you and you know I do
There'll be no one else for me
Promise I'll be always true
For the world and ours to see

Love has heard some lies softly spoken
And I have had my heart badly broken
I've been burned
And I've been hurt before

So I know just how you feel
Trust my love it's real for you
I'll be gentle with your heart
I'll caress it like the morning dew

I'll be right beside you forever
I won't let our love fall apart
From the very start
I'll be careful with your heart

You are my first romance
(and you are my last)
And I'm will to take a chance
(I've learned from the past)
That 'til life is through, I'll still be loving you
I will be true to you
(I will be true)
Just a promise from you will do
(only to you)
From the very start
From the very start
From the very start
From the very start
From the very start please be careful with
I'll be careful with
(My/you're) heart
