

She's Always a Woman

Regine Velasquez

She can kill with a smile
She can wound in her eyes
She can ruin your faith with her casual lies
And she only reveals what she wants you to see
She hides like a child
But she's always a woman to me

She can lead you to love
She can take you or leave you
She can ask for the truth
But she'll never believe
And she'll take what you've give her, as long as it's free
Yeah, she steals like a thief
But she's always a woman to me

[Chorus]

Oh-- she takes care of herself
She can wait if she wants
She's ahead of her time
Oh-- and she never gives out
And she never gives in
She just changes her mind

And she'll promise you more
Than just garden of eden
Then she'll carelessly cut you
And laugh while you're bleeding
But she'll bring out the best
And the worst you can be
Blame it all on yourself
Cause she's always a woman to me

[Repeat chorus]

She is frequently kind
And then suddenly cruel
She can do as she pleases
She's nobody's fool
And she can't be convicted
She earned her degree
And the most she will do
Is throw shadows at you
But she's always a woman to me...
