

With A Smile

Regine Velasquez

Lift your head, baby, don't be scared
Of the things that could go wrong along the way
You'll get by with a smile
You can't win everything but you can try

Baby, you don't have to worry
Coz there ain't no need to hurry
No one ever said that there's an easy way

When they're closing all the doors
They don't want you anymore
This sounds funny but I'll say it anyway

Girl I'll stay through the bad times
Even if I fetch you everyday
I'll get by if you smile
You can never be too happy in this life

In the world where everybody
Hates a happy ending story
It's a wonder love can make the world go round

(And/But) don't let it bring you down
And turn your face into a frown
You'll get along with a little prayer and a song

[Toodoodoodoo]
Let me hear you sing it
