

# Lights Out

Remi Nicole

I don't know where to go from here,  
I don't know what to do,  
I know we're not meant to be,  
But you're such a friend to me and I don't want to lose you.  
I don't know where to go from here,  
I don't know what to do.  
For so many years now I have known only you.

Will you love me?  
Will you say that you will always be there?  
Will you hold me, like the way you always used to care?  
When I'm down will you make me laugh and sing me that happy song?  
Even though the lights have gone.

I don't know where to go from here,  
I don't know what to do,  
Can someone help me please cus I can't take this feeling anymore,  
I don't know where to go from here,  
I'm so confused,  
Cus I know if I let you go, I am gunna miss you.

Will you love me?  
Will you say that you will always be there?  
Will you hold me, like the way you always used to care?  
When I'm down will you make me laugh and sing me that happy song?  
Even though the lights have gone.

Will you love me?  
Will you say that you will always be there?  
Will you hold me, like the way you always used to care?  
When I'm down will you make me laugh and sing me that happy song?  
Even though the lights have gone.
