

Teenage Kicks

Remi Nicole

Are teenage dreams so hard to beat?
Every time he walks down the street
Another boy in the neighbourhood
Wish he was mine, he looks so good

Wanna hold him wanna hold him tight
Get teenage kicks right through the night, come on!

Gonna call him on the telephone
Call him over cos I'm all alone
I need excitement and I need it bad
Cos it's the best I've ever had

Wanna hold him wanna hold him tight
Get teenage kicks right through the night, come on!
