## **And So It Goes**

## **Renato Russo**

In every heart there is a room
A sanctuary safe and strong
To heal the wounds from lovers past
Until a new one comes along

I spoke to you in cautious tones You answered me with no pretense And still feel I said too much My silence is my self defense

And every time I've held a rose It seems I only felt the thorns And so it goes, and so it goes And so will you soon I suppose

But if my silence made you leave Then that would be my worst mistake So I will share this room with you And you can have this heart to break

And this is why my eyes are closed It's just as well for all I've seen And so it goes, and so it goes And you're the only one who knows

So I would choose to be with you That's if the choice were mine to make But you can make decisions too And you can have this heart to break

And so it goes, and so it goes
And you're the only one who knows
