

# Cathedral Song

Renato Russo

I saw from the cathedral  
You were watching me  
And I saw from the cathedral  
What I should be

So take my lies  
And take my time  
'Cause all the others want to take my life

And I watch, with an intent, basic  
It's the same for you  
You hold your hand  
And it's all fine - laced and  
What would you make me do

So take my lies  
And take my time  
'Cause all the others want to take my life

Serious for the winter time  
To wrench my soul  
Whole cotton whole cotton ears  
But I know there must be  
Yes, I know there must be  
Yes, I know there must be a place to go

You saw me, from the cathedral  
Well, I'm an ancient heart  
Yes, you saw me from the cathedral  
And here we are just falling apart

You catch me  
I am tired  
I want all that you are

And I saw from the cathedral  
You were leaving me  
And I saw from the cathedral  
You could not see to see

So take my lies  
And take my time  
'Cause all the others want to take my life
